Joanna,

Would you like the individual invoice reports that are attached with the MSRs to the WAMS w/backup or the actual invoice along with the backup or just the backup? Based on the below email, looks like just backup/receipts? I just want to make sure we provide you with the proper format. If easier, you can give me a ring [Nonresponsive based on revised scope]

Thanks,

Hello [Nonresponsive based on revised scope]

I am an SAO that assists the OSC's with review of their START and ERRS invoices. In order to properly review the invoices I require the receipts to backup the charges.

Can you please send me the receipts for each invoice, each month for the sites listed below. Thanks
